Home Team Captain Signature

Away Team Captain Signature

- **Every player can only play once per set.** Players can only play each opposing player once during the match. In the knock-out phase only, an 8-8 draw is decided by one final frame of each captains choosing.
- **Away team to fill out the matchsheets first.** Home team to break first, then alternate down the sheet.
- 2 points for a winning set and 1 point each for a drawn set; 6 points for the overall win and 3 points for a draw.
- Please record any break/dishes (winning the frame without opponent playing a shot) and any return/dishes (winning the frame with the opponent only playing the break shot); these can apply after a foul break.
- All results, fixtures, and stats, can be found at www.canterburypool.co.uk.
